Dear Dana:

2014 Form 990

2014 IRS E-File Signature Authorization for an Exempt Organization (Form 8879-EO)

Please review the return for completeness and accuracy.

In addition, the enclosed CD includes a public disclosure copy of the Form 990. An exempt organization is required to have a copy of its current year Form 990 and two prior year returns available for public inspection. We have removed the names and addresses of contributors from schedule B of this return as this information is not open to public inspection. You should sign this copy of the return and keep it available at your primary office location.

We have prepared the return from information you furnished us without verification. Upon examination of the return by tax authorities, requests may be made for underlying data. We therefore recommend that you preserve all records which you may be called upon to produce in connection with such possible examinations.

Many states require legal entities to register with them in order to do business in their state. Please remember to keep your registration active and current for each state that you have business activities.

We sincerely appreciate the opportunity to serve you. Please contact us if you have any questions concerning the tax return.
