Summary: Clear skies this morning allowed for a flight to the DELA site where we collected 11 lines under green conditions and 4 lines and a cross strip under yellow. Low clouds moved into the area ending our collection. We were able to collect all airshed and TOS priority lines at this site under green conditions.

Issues/Concerns: None

Comments:

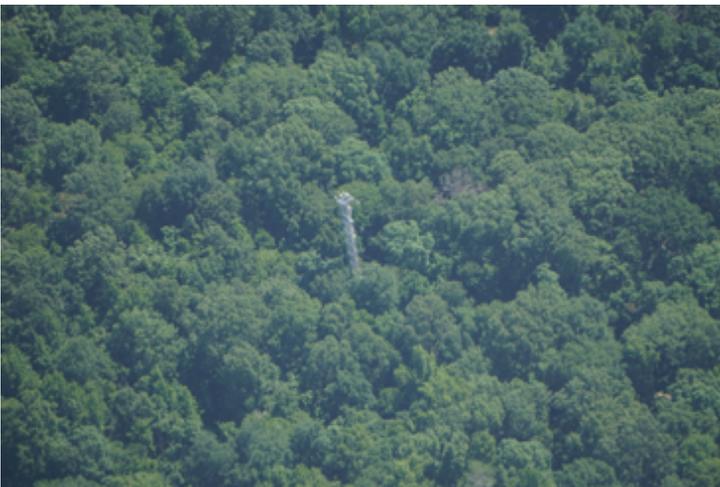

-Cellular communication with all AOP GPS stations were lost for a few hours this morning due to a Verizon network issue. The problem has been resolved.
