Domain: enroute to D18

Sites Flown: n/a

Days left in Domain: n/a

Flight Hours: 5.25

Hours until maintenance: 117.85

Date: 2017-07-08

Report Author: John Adler

Pilots: Grant Frost, Kyler Dalton

Flight Crew: John Adler

Ground/GPS: None

Additional Personnel: None

GPS Instruments: None

Summary: We flew to Fort Nelson, but afternoon thunderstorms precluded us from making it to Whitehorse. Tomorrow we aim to be in Fairbanks, Alaska.

Issues/Concerns: None.

Comments: Continued planning for potential flights with the NASA Above project. Hoping to meet with the PI in Fairbanks on Sunday night or early Monday morning.

...lots of haze today, then thunderstorms...
