### Summary

We began the trek from Fresno, CA (D17) to Gainesville, FL (D03) today. We were able to make it to Wichita Falls, Tx where we will overnight. The system will remain powered as the hangar has our power outlets installed.

### Concerns

Weather concerns in the southeast may coerce the flight crew to complete the transit to D03 tomorrow.

### Comments

- Mitch departed D17 and arrived in D03 today
- TOIL pilot Mike Francis rotated out today to join Payload 3. He was replaced by TOIL Pilot Justin Eddington during the transit.
- Abe & Mitch will install the Disney tower camera tomorrow
- We are anticipating arriving in D03 either Sunday or Monday with the payload still powered on.
