### Summary

Flights canceled today due to yellow cloud conditions over OAES. We decided not to attempt yellow collections over the remaining 13 lines, since conditions tomorrow are likely to be clearer. Instead we conducted additional Riegl training at the FBO.

### Concerns

Connectivity will not be restored at the OAES tower until Monday at the earliest.

We are still working on licensing issues with Hotel Kit 4, and are waiting to ship back Hotel Kit 3 until that is resolved.

### Comments

Mitch Haynes arrived in Wichita Falls last night and Robb Walker left this morning.
