Summary

We ferried the aircraft from Jackson, Tennessee to Grand junction, Colorado today. The pilots had navigate around several cells of severe weather in route. The aircraft will undergo its 125 phase maintenance starting tomorrow. The maintenance is expected to be completed Saturday upon which we will complete the transit to D17.

Concerns

None

Comments

- Mitch departed D02 today! Thanks for the hard work!
- Abe arrived in D17 today and reports that D14 reconnaissance went well! Nice Job Abe!
- Andrew was able to log in and apply a fix to the telemetry's database during the transit with the assistance of Cam.
