**Summary:** The NEON project was highlighted in Columbus today, with interviews by local news, NPR, and others. Courtney Meier did a phenomenal job talking with the media about the important work NEON has been doing to make the project fully operational, with data available to everyone today! Additionally, faculty and students from KOSU, in addition to Battelle employees, were in attendance to hear Lou Von Thaer and Nick Marusich talk about the importance of the NEON project.

**Comments:** Manchester, NH was selected as the alternate location for the five days the Nashua Airport will be closed.  
- Nice work Mitch Haynes and Matt DeVoe!

Heading to Nashua, New Hampshire tomorrow morning to begin data collection at D01.

**Concerns:** None.
